

Alzheimer's Clinical Trial

Do you have mild-to-moderate Alzheimer's disease?

You may be eligible for a clinical trial for an investigational drug for the treatment of mild-to-moderate Alzheimer's disease. Participants will be asked to participate in weekly visits for 24 weeks, as well as screening and follow-up visits.

In order to qualify you must:

- be between 60-80 years old
- have a diagnosis of mild-to-moderate Alzheimer's disease
- be willing and able to have a spinal tap and weekly blood draws
- have a study partner willing to give daily injections after training

There are additional eligibility requirements, which can be found at: www.cumemoryresearch.org

Location

After initial screenings at the CU Anschutz campus in Aurora, CO, participants will be able to have weekly home nursing visits. Occasional visits to campus during the study will be required for procedures that cannot be done at home.

Participants will receive:

- study related care and medication at no cost
- stipend to defray some costs of participation
