

VOLUNTEERS NEEDED

RESEARCH STUDY

Help test how effective hearing aids are when fitted from different sources (self-fit, remote fit, fit by healthcare provider, or provided by prescription).

WE ARE LOOKING FOR ADULTS THAT:

- Have mild-to-moderate hearing loss
- Are aged 40 years or older
- Have no previous hearing aid use
- Own a smartphone

Participation Includes

12 months with **four in-person visits** that are each **2-3 hours** long.

Compensation Provided

- \$150 for completing all study visits
- Free hearing test
- Free hearing aid

Interested in participating?
See if you're eligible by
completing our brief
screening form!
