

# **Lymphoma Survivors Needed for Cardiovascular Research Study!**

**We're looking for lymphoma survivors to participate in a research study to help us understand how we can improve cardiovascular health after completing chemotherapy.**

## **WHO?**

- Lymphoma survivors 18 years or older.
- More than 4 weeks since the last chemotherapy treatment.
- No use of hormone therapy in past 12 months.

## **WHAT?**

- Two in-person visits over 5 days for a total of ~5 hours.
- Various measures of heart and artery function.

## **BENEFITS TO YOU**

- \$100 for completing all study visits.
- Information about your heart health.

## **CONTACT US**
