

How Does Your Body React to Weight-Loss Medication?

Join our research study to help us better understand how the body responds to hormone-based medications used for weight loss.

WHAT TO EXPECT:

- Three in-person visits over about a year.
- Evaluation of blood work, body composition, bone density, gut health, and overall health.
- Earn up to \$600 for your participation.

YOU MAY QUALIFY IF YOU:

- Are 18 to 65 years old.
- Have overweight or obesity.
- Plan to start a prescribed weight-loss medication.
- Are a current or new patient at the CU Medicine Weight Management Clinic.
